

Help Your Patients Begin Their YORVIPATH® Journey

A step-by-step guide to enrollment and access throughout treatment

Steps to Accessing YORVIPATH®

The Ascendis Signature Access Program® (A·S·A·P) can help your patients with insurance reimbursement and support them as they navigate complex insurance issues*

START HERE

Step 1 Getting started

- Complete the Enrollment Form
- By submitting this form, you are initiating A·S·A·P enrollment, which provides patients with support throughout treatment

 Your patient will begin receiving personalized support once they have completed the Consent Form

Step 2 Benefits investigation

- A Benefits Investigation is conducted to determine the potential path to coverage, including which of our Specialty Pharmacy (SP) partners can service your patients[†]
- The summary of benefits based on the investigation will be sent to your office once completed
- A Field Reimbursement Manager (FRM) or Nurse Advocate can help you understand the summary of benefits

Form. Both forms can be submitted by fax to 1-888-436-0193

or by email to **info@ascendissupport.com**. For any questions,

Step 3 Seking insur

Seeking insurance authorization

- YORVIPATH coverage requirements are plan-specific and vary across insurance companies
- A prior authorization (PA) or medical exception submission may be required for your patients to access the medication
- The FRM may communicate any insurance requirements and can advise on the resubmission and appeal process, as needed

Step 4 Insurance authorization approved

- The SP will ship YORVIPATH pens and needles directly to your patients
- Patients enrolled in A·S·A·P will receive a Starter Kit containing helpful resources
- If eligible, your patient may enroll in our Co-Pay Program[‡]

IN CASE OF DENIAL APPROVAL RECEIVED

Step 5 Injection training

- Our Nurse Advocate will work with the patient's SP to provide ongoing support for your patient
- The Nurse Advocate will follow the case and partner with the SP to ensure your patient receives clinical education
- If requested, an A·S·A·P
 Clinical Educator can provide
 'train-the-trainer' sessions
 for your office staff, ensuring
 you are fully equipped to
 train and assist your patients[§]

Step 6 Ongoing treatment support

- Once your patient's medication schedule begins, A·S·A·P will continue regular contact with your patient and help ensure that there is no gap in treatment
- A·S·A·P Clinical Educators are available for virtual support to provide further assistance if your patient needs additional guidance

- Streamlined communication with payors: The A·S·A·P team works closely with insurance providers, follows up on appeal determinations, and informs your patient every step of the way, to expedite authorizations and manage payor requirements efficiently
- Our team of FRMs provides guidance through appeals:
 Our team helps navigate complex appeals processes,
 providing critical resources and expertise to help achieve
 successful outcomes

Patient Assistance Program[‡]

- If your patient's insurance continues to deny coverage, we offer a Patient Assistance Program
- If eligible, your patient will receive drug at no cost to them through A·S·A·P
- An A·S·A·P Clinical Educator provides thorough injection training for your patients

please call 1-844-442-7236.

^{*}The A·S·A·P program provides patient support services to eligible patients who were prescribed YORVIPATH for its approved indication.

[†] Ascendis is partnered with Orsini Specialty Pharmacy and PANTHERx Rare Pharmacy for YORVIPATH dispense.
