Your A·S·A·P Support Journey

From the moment your doctor prescribes your medicine, A·S·A·P is with you every step of the way during your treatment journey.

The First Step

A·S·A·P support begins after your doctor fills out the Enrollment Form and you sign the Consent Form.

**Scan the QR code or visit
Yorvipath.com to access
the Consent Form.**

Your Dedicated Nurse Advocate

Once A-S-A-P receives the Enrollment and Consent Forms, you will be assigned a dedicated Nurse Advocate.

Your Nurse Advocate:

Checks in regularly via phone, text, and email

Coordinates shipments of medicine

- Works to avoid a gap in treatment

Helps you seek financial assistance to pay for your medicine

Offers support throughout the insurance approval process

- Confirms prescription benefits
- Obtains insurance approvals
- Manages the appeals process, if necessary

As an A-S-A-P member, you can ask for the same person every time you call. If your dedicated Nurse Advocate is not available at that moment, you will be able to speak to another Nurse Advocate.

Nurse Advocates are available Monday through Friday, 8 AM to 8 PM ET.
